MFC-L8600cdw

Color Laser All-in-One with Wireless Networking and Duplex Printing

Small and medium-sized businesses looking for a color laser all-in-one with wireless networking, as well as copying, scanning and faxing should consider the Brother™ MFC-L8600cdw. It boasts color and black print speeds of up to 30ppm, a 250-sheet capacity paper tray and 50-sheet capacity multi-purpose tray, plus the ability to expand to a 800-sheet total capacity with an optional 500-sheet add-on tray*. It's an ideal choice for small workgroups in businesses that need a dedicated color all-in-one to produce high-impact color prints and copies, plus faxing and advanced scanning capabilities. High-yield replacement toner cartridges* are available to help reduce costs, and a variety of wired and wireless networking choices provide flexible installation options for multi-user business environments.
