

HP Advanced Wireless Docking Station

Expand your HP Elite x2 1011 G1 workspace with the HP Advanced Wireless Docking Station, which enables seamless connectivity through WiGig technology.

Clutter-free professional desktop

- Enable flexible positioning and keep your workspace tidy with the elegant, cubic wireless design.

Easy to use

- Get desktop productivity from your mobile solution in an instant. After a one-time onscreen set up through your HP Elite x2 1011 G1, your connected devices are ready to go as soon as your tablet is in range.

Complete connectivity

- Create a comprehensive, professional desktop solution and connect your tablet to dual displays, a wired network, and your everyday devices with DisplayPort, VGA, RJ-45, USB, and audio ports.

Enterprise-class security

- Help keep your content safe during device pairing and data transfer with WiGig technology. Secure your dock to a table or other device with the integrated lock slot and a cable lock (sold separately).

Peace of mind

- Get a one-year whole unit replacement limited warranty.
