

HP ElitePad Productivity Jacket

More than a case. It's built-in intelligence.

Boost your productivity with a keyboard, two USB ports, SD card reader, and an adjustable stand, all in one.

- Simply insert the HP ElitePad into the Jacket and enjoy additional connectivity and notebook capabilities—minus the notebook.
- The stylish and lightweight design also features a docking connector so you can power the Jacket and charge the HP ElitePad at the same time using the HP ElitePad AC adapter (included with the HP ElitePad).
- Designed to provide 3 different viewing angles in landscape mode while use the integrated keyboard as an alternative to touchscreen interaction.
- Find your most comfortable working and viewing position. The Jacket flips back to create an easel while you use the integrated keyboard as an alternative to touchscreen interaction.
- Expand what you can do with a suite of accessories designed specifically for the HP ElitePad and turn a true business tablet into a total business solution.
