

THD007EU | VuComplete™ Black Back Cover for iPad with Retina display, new iPad

The Targus black back cover is designed to work perfectly in conjunction with the Apple Smart Cover. Just as the Smart Cover protects your iPad screen, the Targus back cover provides complete protection for the back and sides of your iPad. The black back cover will fit perfectly with your Apple smart cover, no matter what the colour!

The tough but highly tactile hard plastic shell clicks securely to the back of your iPad providing full protection as well as complete visibility of the Apple ID to show off your iPad in all its glory! The Targus back cover ensures that you are able to access to all ports, features and functions of your iPad whilst it is still inside the cover.
