## THZ36105EU | Versavu™ Slim iPad mini with Retina display Rotating Stand Case - Black

The ultra slim rotating case lets you turn your iPad mini 360° inside the case for a choice of viewing in landscape or portrait. With automatic wake/sleep functionality the durable cover transforms into a multi position stand for handsfree viewing and a comfortable typing position. Versavu has a secure cover closure and soft interior lining to ensure screen protection when you are on the move. Access all ports, features and functions of your iPad mini from inside the case.

Secure front cover closure and soft interior lining protects iPad mini screen on the go
