Data sheet

HP Elite USB-C Docking Station

Creating a complete workspace has never been simpler

Charge your device, view content on dual displays, access a range of accessories, and connect to a desktop PC experience with a single cable connection to the HP Elite USB-C™ Docking Station.

Quick and easy connectivity enabled by USB-C™
Connect the attached cable to your tablet's USB-C™ port and get immediate connectivity to a wired network, multiple displays[1] and all of your devices—at the same time—with DisplayPort, HDMI, RJ-45, and five USB ports.

Power on
Keep working with a power pass through that powers your device while it charges.[2]

Built for enterprise
Support network manageability[3] of your device and the docking station with integrated Wake on LAN. PXE boot, and 802.1x authentication on the docking station, and get physical security from a security lock slot (lock sold separately).

Park it or pack it
Place the compact dock on your desk with minimal impact to your workspace, or take it to go with your tablet.

Rest easy
Get the reassurance of a one-year limited warranty.

[1] Sold separately.
[2] See product QuickSpecs for exact charging capacities.
[3] Internet access required and sold separately.

Specifications

HP Elite USB-C Docking Station

Model number	X7W54AA
Dimensions (H x W x D)	6x2.76x0.77 in 152.4x70x19.6 mm
Weight	0.66 lbs (.3 kg)
Normal Operating Voltage	19.5V
Average Operating Power	55 W
Max Operating Power	62 W
Temperature (Operating)	32-104 F (0-40 C)
Temperature (Non-operating)	-40 to 158 F (-40 to +70C)
