Overview

Boost the capabilities of your HP Workstation and improve system performance and application responsiveness with low-power, high-speed DDR4 memory from HP.

Features

Flexible, fast scalability

Improve start-up times with fewer delays during routine operations, run more programs simultaneously, and easily toggle between them with super-fast memory that you can scale to meet your exact requirements.

HP-tested

Ensure that all of your memory characteristics match by upgrading with HP-branded memory that's been tested for seamless system-level integration with HP Workstations.

Benefit from integrated ECC

Help avoid errors that can corrupt data sets and introduce system issues with Error Checking and Correcting technology that corrects single-bit memory errors.

Supported by HP

Protect your investment with the same world-class HP limited warranty you get for your HP Workstation.

Specifications

Hardware compatibility
Compatible with the Z240 TWR and Z240 SFF worksations.

Weight
0.7 oz

Minimum dimensions (W x D x H)
5.25 x 1.26 in
