EcoTank ITS L3070

Ultra-low-cost and hassle-free printing solution for busy households needing a compact 3-in-1 with Wi-Fi Direct and SD card reader.

Here's a cost-effective and hassle-free solution for printing lots at home - Epson's cartridge-free EcoTank ITS 3-in-1. Providing an ultra-low cost per page, it comes with up to two years' worth of ink[1] included in the box and can reduce printing costs by up to 90%[2]. This compact 3-in-1 inkjet features a 3.7cm LCD screen and provides print, copy and scan functions.

Ultra-low cost
Did you know that Epson's EcoTank ITS printer can reduce printing costs by up to 90%[2]? It comes with high-yield ink bottles that can print up to 13,000 pages in black and 6,500 pages in colour[3]. That means you'll receive an ultra-low cost per page.

Cartridge-free printing
Running out of ink can be frustrating. Even if you've stocked up, it takes time to change a cartridge. If you have a busy household and rely on your printer, there's an easy solution. Epson's EcoTank ITS printer has an ultra-high-capacity ink tank system, which completely removes the need for cartridges and comes with up to two years' worth of ink[1].

Compact and easy to use
We think printing should be simple and fuss free. That's why our ink tank system is fully integrated and straightforward to set up. It's also compact, making it easy to fit into the home.

Mobile printing
Equipped with Wi-Fi and Wi-Fi Direct, the L3070 can print documents from smartphones and tablets using the free Epson iPrint[4] app. It can even receive files from almost anywhere in the world via Epson Email Print[4].

Peace of mind
The EcoTank ITS printer has been purpose-built to provide a long-term printing solution. It delivers consistent and reliable results thanks to our advanced Micro Piezo printhead and genuine Epson ink. It offers a one year standard warranty, and up to three years with the promotional warranty[5].

* Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712. Quoted yields are NOT based on ISO/IEC 24711. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set can be lower.

1. Two years' worth of ink based on average monthly print volumes of 290 pages for EcoTank ITS home and office printers and 60 photo prints (10cm x 15cm) for EcoTank ITS photo printers. Calculations for EcoTank ITS home and office printers are based on the lowest bundled black ink yield for the following printers; L310, L382, L386, L486, L565, L605, L655, M100, M105, M200, L1300, L1455, L3050, L3060, L3070 (excludes the L120).
2. The comparable ink cartridge calculation is based on the lowest yield cartridge used in the top 20 competitive A4 inkjet printers according to the IDC EMEA Hardcopy Tracker (Data Q4 2016) in the period January 2016 – December 2016. The calculation was based on the competitors' standard cartridge yield divided by the average Epson ITS Ecotank printer's bundled yield.
